13TH INTERNATIONAL CONFERENCE ON CONCRETE PAVEMENTS

INNOVATIVE PATHS TOWARD LOWER CARBON IN CONCRETE PAVEMENTS

THE DEPOT
MINNEAPOLIS, MINNESOTA, USA
AUGUST 25-29, 2024

ORGANIZED BY INTERNATIONAL SOCIETY FOR CONCRETE PAVEMENTS

WELCOME

The International Society for Concrete Pavements is holding the 13th International Conference on Concrete Pavements (ICCP) August 25-29, 2024 in Minneapolis, Minnesota, USA.

Information about the conference can be found using the QR code below:

<https://13thiccp.concretepavements.org>

Traditionally held every 4 years, this international conference focuses on all aspects of design, construction, rehabilitation, maintenance, sustainability, and resilience of concrete pavements.

The 13th ICCP is focused on pavement, materials, and geotechnical engineering professionals, educators, suppliers, and constructors who are involved in any aspect of concrete pavements. The included workshops are particularly beneficial to practitioners at all levels.

CONFERENCE SCOPE

This international conference typically attracts over 400 attendees, and showcases 100+ technical presentations.

Topics of interest include, but are not limited to:

- Design of concrete pavements
- Concrete pavement materials
- Concrete pavement construction
- Preservation of concrete pavements
- Concrete overlays
- Pavement performance prediction
- Durability of concrete pavements
- Pavement economics
- Pavement testing and instrumentation
- Pavement surface characteristics
- Lower carbon content concrete materials
- Use of recycled materials
- Increased resiliency of support layers

In addition to technical paper sessions there will be 10 practical workshops, 40+ exhibitors, and several local technical tours, including the famous MnROAD Pavement Test Track.

SPONSORSHIP OPPORTUNITIES

The success of any International Conference on Concrete Pavement relies on the participation and investment of corporate sponsors and exhibitors. If you are interested in becoming a valued partner in this conference, please consider one of the options on the following two pages. Specific items in each category are fully negotiable.

To sign up or receive answers to any questions, please contact: Leif Wathne at lwathne@iastate.edu or +1 515-296-7032.
