Professional Development Hours (PDH) Credit Statement for Registrant Records

The table below shows the Professional Development Hours (PDH's) that may be earned for continuing education activities associated with activities at the 13th International Conference on Concrete Pavements that was hosted by the International Society for Concrete Pavements (ISCP) on August 25-29, 2024.

Many licensure and certification agencies require the demonstration of continuing professional competency. Participants interested in the award of PDH's should check with local licensing organizations for specific requirements. Compliance with licensure requirements is the sole responsibility of the participant, and the Conference organizers and hosts assume no responsibility for compliance with professional licensure requirements. Reporting in many states is done on an "honor basis" and individuals are responsible for maintaining their own records. This form serves as a record of the hours that may qualify as PDH's. The conference organizers and host recommend that you save the Final Program and any other documents supporting evidence of attendance for your records should the licensure or certification agency request information from you. Please indicate the hours completed, and sign and date this form.

Date	Time (EDT)	Topic & Speaker	Hours Available	Hours Claimed
Monday, August 26, 2024	8:00a to 9:45a	Plenary Session GREAT NORTHERN	1.75	
	10:00a to 12:00p	Session 1: Lower Carbon GREAT NORTHERN	1.75	
		Session 2: Testing and Instrumentation 1 HIAWATHA		
		Session 3: Design SOUTHERN PACIFIC		
	1:00p to 2:45p	Session 4: Performance Modeling 1 GREAT NORTHERN	1.75	
		Session 5: Surface Characteristics HIAWATHA		
		Session 6: Sustainability and Climate Change SOUTHERN PACIFIC		
	3:15p to 5:00p	Session 7: Sustainability GREAT NORTHERN	1.75	
		Session 8: Testing and Instrumentation 2 HIAWATHA		
		Student Poster Session CONSERVATORY		
Tuesday, August 27, 2024	8:00a to 12:00p	Workshop 1: Rapid Strength Concrete for Highways and Airport Pavements (CTS)	3.5	
		Workshop 2: Advancements in Optimized Concrete Pavement Design (FORTA)		
		Workshop 3: Sustainability and Performance can Coexist: Low Embodied Carbon Concrete Pavements Leading the Way (FHWA)		
		Workshop 4: Impact of NRRRA on Advancing Concrete Pavement Technology (NRRRA)		
		Workshop 5: Roller-Compacted Concrete Pavements (RCC Pavement Council)		
	1:00p to 5:00p	Workshop 6: Airport Pavement – ACPTP Research Program (ACPTP)	3.5	
		Workshop 7: Fiber-Reinforced Concrete Materials for Pavements (FRCA)		
		Workshop 8: Concrete Pavement Preservation – Sustainable Solutions for Tomorrow, Today (Co-ACPA and IGGA)		
		Workshop 9: Pavement Foundations: Review of Foundation Requirements and Measurements (Co-FWA and NCPTC)		
		Workshop 10: Mine and Ready-Mix Plant Tour (NSSGA)		
Wednesday, August 28, 2024	8:00a to 9:45a	Session 9: Testing and Instrumentation 3 GREAT NORTHERN	1.75	
		Session 10: Performance Modeling 2 HIAWATHA		
		Poster Session 1 (NCC) CONSERVATORY		
	10:00a to 12:00p	Session 11: Performance Modeling 3 GREAT NORTHERN	1.75	
		Session 12: Construction 1 HIAWATHA		
		Poster Session 2 (NCC) CONSERVATORY		
	1:00p to 2:45p	Session 13: Recycled Materials GREAT NORTHERN	1.75	
		Session 14: Construction 2 HIAWATHA		
		Poster Session 3 CONSERVATORY		
	3:15p to 5:00p	Session 15: Materials GREAT NORTHERN	1.75	
Session 16: Durability HIAWATHA				
Poster Session 4 CONSERVATORY
